

Amanda Walker Hall

January 19, 1949 - July 25, 2020

Amanda Walker Hall left this earth to be with her Heavenly Father on Saturday, July 25, 2020. She was born and raised in Thomasville, Georgia, to Margaret and Donnie Walker on January 19, 1949. Although she was a resident of Roswell for many years, Amanda always felt at home when she was near her friends and family.

Amanda graduated from Thomasville High School and was an alumna of Georgia Southern University, where she was a charter member of Kappa Delta Sorority. She earned a BA in Early Childhood Education and from there went on to impact and touch the lives of many children, throughout her teaching career. Amanda was fortunate enough to marry her college sweetheart Mike, and together they shared a 40-year marriage dedicated to each other, their daughter, Meghan and two grandchildren, who were the light of her life.

Amanda enjoyed adventures – great or small. Whether she was routinely visiting her hometown of Thomasville (which is known by all who knew her as her happy place), off traveling the world with her life-long best friends and twin sister Margaret, reconnecting with friends from near and far, or simply caring for her daughter and grandchildren at home – those are the moments that mattered most to Amanda. She was warm, kind, sentimental, outgoing, positive, and full of laughter. Because she embodied such endearing qualities and immense faith, one could only hope to find a friend like Amanda, and that is exactly what she was – a friend to all. Caring for others was Amanda's greatest joy, and because of that, she (and her infectious smile) will be cherished, remembered and missed forever.

She was preceded in death by her parents, Margaret and Donnie Walker; her husband, Mike Hall; and her older sister, Donna Harvard.

Amanda leaves behind a daughter, Meghan Erlacher and grandchildren, Sutton and Maggie of Roswell; her twin sister and best friend Margaret Weatherly (Travis) of Snellville; many nieces and nephews and countless friends, who she held dear.

Celebration of Life services will be held at a later date due to current climate. Until then, we will continue to celebrate and honor Amanda in our hearts.

In lieu of flowers, the family has shared that those wishing to make a memorial gift please consider donating to Special Needs Respite (www.specialneedsrespite.org). This organization greatly impacted Amanda and her family, and her hope would be that many other families of children with special needs are able to receive such a gift.

Those wishing to leave a message of condolence may sign the register book at www.wagesfuneralhome.com.

“ Although I was not a close friend of Amanda and Margaret I remember them from the first grade in Ms. Hoggs class all the way through high School. I always thought Amanda was one of the most friendly classmates I had. I will miss her but know she is with God helping him watch over all of us.

“ I had the honor of knowing Amanda through a Bible study for families with special-needs children. She spoke softly, smiled widely, and loved deeply. Although she struggled with many health issues over the years, she did so gracefully and with a deep faith in Christ. He treasured her twin sister, her daughter, and her grandchildren, Sutton and Maggie. She cherished her "forever sisters". She see'd ya, she knowed ya and she loved ya forever!! Cheers Amanda. I'll see you in heaven!!

“ My heart aches to hear of the loss of our sweet Amanda. The kindness and love that she openly showed to me and my son in 2014 will never be forgotten. She opened her heart and home to me and what a wonderful, blessed time it was to share those special days before my departure to Dubai. The love she had for friends and family was always evident. We send our prayers to Margaret and the entire family. May God

continue to comfort you during this time. Cheryll Barney Allen and Family.

“ So sorry for your loss. I didn't know Amanda as well as I knew, Margaret from Annistown and became friends through mutual friends! When I did see them together they were always smiling. I always enjoyed following their travel adventures. I know you treasure that time together! I have 2 sisters and we too are very close neither of them have children so they get to share my grandkids! I know there isn't anything I can say to take the pain away Margaret for your loss of a sister, a cohort, friend, your twin, and soul mate! So I will say I will be praying for you and family to give you strength and understanding during this difficult time you are experiencing! . Much Love sent to you!

“ Too many memories and smiles and laughter to narrow down to one. I was a classmate and dorm-mate at Georgia Southern our first year of studies with Amanda and Margaret. Although we have travelled in different circles I always kept that close feeling in my heart. And though we lost track of each other over the years we did talk on the phone and I consider myself lucky to have spent time with Amanda a couple of years ago. That was priceless wish you had been with us Margaret! Just know you were one of the topics we talked about as well as her beloved daughter and grandchildren. I never dreamed I would not see her again. We must never take one day or even one moment for granted. My sadness can not compare to that of those closest to her but it hurts just the same. You will be in my thoughts and prayers in the days ahead. Much love to the family. Judy Evans French

“ I remember the day I met Amanda! From the beginning she was not only welcoming and warm to me, but she instantly made me feel like family. I know I'm just one of many that Amanda made feel that way. Many of our talks, she would reminisce of memories and moments with her friends and family, and somehow she always snuck in to share how special my mother-in-law was to her. My life was touched by Amanda and I'm grateful for knowing and loving her. Take care of Hugo for me, we love you Meena!

“ Dear Amanda and Margaret always made us happy to visit their sweet house in Tville. We loved their mother and grandmother beyond measure as we grew up. Plus she was famous as the only twin in the whole town I ever new about. Yet she was sweet, good natured, and great cheerleader for others.
