“ I had the privilege to work with Ann at Lawrenceville Presbyterian Preschool for 7 years. She was such a great person to listen to/to work with/to hear her wisdom/listen to her humor/listen to stories about her family. Ann definitely had lots of wisdom and humor to share with us at LPK. I am sure that she will be dearly missed by her whole family, because she had so much love to give to all of you. She was most definitely a very special lady. My deepest sympathies to Stan/Terri/and her 3 grandsons/and their families.

“ Such great memories of this lovely lady. She was married to one of my favorite cousins and we always enjoyed visiting with them when we came from Michigan to have a vacation "down South". When we moved to NC we were again able to visit with them and then later we moved here to Cumming and our age etc. kept us from visiting anyone too much. Via Candy Huff I was able to keep up with what was going on with the whole family. My love and prayers go out to the whole family.

“ Thirty five years ago she helped our first born son get through his first year at pre school He did not want to be there and she was so kind and understanding. He loved her and so did we!! She was a very special lady!

“ I still remember being a little girl in preschool, and my mom bringing me in Ms Ann’s classroom before we left for the day. My mom, Anne Daly, was very good friends with Ms Ann. She went to visit her often, and kept her in the loop about my family and daughters. I remember she made my oldest who is 15 now a Christmas stocking when she was born. She was one of the few people who through all of our moves my mom kept in contact with. She used to bring my daughter to visit with Ms Ann whenever she came to town for the summer. Savannah still remembers that and will always cherish those times. Although I have not seen her in a long time, mom told me how she was doing and kept us all in the loop about her and the stories she told her all the time. I know she will be so missed. Sending my love and condolences to all of the family. Grateful to have the memories I do of such a beautiful person.
