“ Brenda was a very close friend of my Mother's, Doris Trunfio, and she will be loved and missed. My Mother and Brenda have been friends for many, many years. They especially loved their annual trips to the beach with the girls. There are so many pictures of them together in my Mother's house. She is with her Savior and King and we will see her again in heaven. May God Bless her family and friends with peace comfort and protection. My condolences and sincere sympathy and prayers for her family and friends. Karen Trunfio Bitler

“ I remember my mom called your mom early one morning because I had a temperature. Your mom came by around 7AM, took my temperature again ... told my mom I should not go to school that day. I do not remember a lot about my teen years. I do remember your parents were always kind to me. You were blessed with wonderful caring parents. May your mom rest in peace

“ Our friendship spanned nearly 50 years. But what stands out were our nearly weekly dinners in Virginia at The Black-Eyed Pea. Always the southern girl, she needed that chicken fried steak and sweet tea! We'd gab and gossip and solve the world's problems. Laugh and cry too. She was a compassionate listener and wise counselor. She put family above all else and I admired her commitment. Lisa and Lee were the focus of her life. And she and Bill raised two wonderful people whom I love to this day. I am so grateful to have had her in my life; she will forever be in my heart.
