“ Delivering the mail to Mac has been quite adventurous over the years!! He loved his family!! Wasn't that long ago he was telling me about the new additions to his family. I loved to hear him talk about his Military time, his Mom and brothers. I would always say” hey Mac how ya doing? “ His response was “Got no complaints!!” Im thankful that I got to know this guy!! He was truly one of a kind!!

“ When he was 10 yrs old he was visiting us in California. He broke his leg in Mexico and was in a cast. Us younger ones would get in the pool and tell him how great it felt. It was a hot summer. I think 1968. He had a few choice names he called us. We loved to hear him say "Hot damn"!".
