“ Dean was a selfless, big-hearted man with a rare gift to make everyone he encountered feel at ease and welcome. He was a humble man who never failed to bring happiness and laughter to those that knew him well.

“ My thoughts and prayers for Dean's family;

I am one of his colleagues from India and I knew him for years had met him while I had been to the US on work. We had been in a training together, I cherish our time spent during Lithiaspring Datacenter drive also can not forget our joyous time outside work at AMC movies. It sure didn't take him long to make me feel like we had been lifelong friends, he was very kind-hearted and I will always treasure our conversations.

May God give strength to his family to bear the loss and may the departed soul rest in peace.

Sincerely,
Madhu Nagaraj

“ We are so thankful to have known Dean since our boys were 3 years old. So many get togethers, scout’s campouts, birthday parties, braves games, church youth group activities, and school events. Dean was so invested in his son, Daniel, and was always eager to include Daniel’s friends as well. He was extremely thoughtful and always willing to help in anyway he could! We are so heartbroken that he is gone and pray for God’s strength for his family and especial Daniel. All our Love, The Franklin’s

“ Dean to me represents a peaceful and humbled individual. A man that was always smiling when I met up with him at work. Just like you see him in the picture that is exactly how Dean would greet me. I will miss him a great deal and I know God is with him. God bless his family as they move forward.

Sincerely

“ I was fortunate enough to live across the street from Dean and Anne for a few years. He was a big Atlanta Thrasher Hockey fan at the time. I always enjoyed our talks about that. When Daniel was born he was a devoted father. I moved not long after that, but was able to keep in touch through Facebook. His family are in my thoughts and prayers. Audra Hood Weiss

“ Dear Anne, Daniel and family, we are so saddened to hear about Dean's death. We went to Prospect UMC with him and had Bible study groups with him also. I always enjoyed my conversations with him. He was so proud of his son and had such great things to say about him. Please know you are in our thoughts and prayers. I pray God will give you his peace to get through the next few days and he will surround you with confidence that Dean is smiling in heaven right now. Cindy Chaffin

“ Dean is a brother of mine. We have shared the most personal issues we both faced. Dean helped me with some of my struggles and I hope I was able to help Dean with some of his. Dean my brother, you will always be in my heart, in my thoughts and in my prayers. Rest in peace my brother, I will miss you more than you will know. I love you my brother.
