“ Dear Maria, Ronnie, and family- I was Frances's neighbor across the street for 10 years! I am so sad to hear this news. Frances was a dear friend to me and Jack. We loved hearing her stories about Smitty and Moe and all of you. Many Sunday afternoons around 4 pm I would wander over for a visit. She was so sharp mentally and interested in so many things. I could never get over her amazing memory! The stories she told make me laugh to this day. She loved her family very much and her home. It is hard growing older and not being able to do things physically. But she would not leave her home. I loved hearing stories about all of you and about her adventures traveling all over. She told me she just loved to travel. I was so impressed with her art work too. If Frances had been 50 years younger we'd have had some great fun running around! She was a great listener and I truly enjoyed her company and friendship. She was a very strong proud southern woman! True GRIT! I am happy that she is not suffering anymore and she is with her precious hubby. I am truly looking forward to the day we meet again! Love to you all-

“ I have way to memories to list them all of this lively, sweet, spunky lady. One memory I still hold is the wash tub she kept so they could bathe me when i was a baby. I love this lady to the moon and back!!! You will be missed Frances and I am sure you are already giving orders to those you are now joined with! I have no doubt she will get everyone back in line. Love to the family who is near and dear to my heart. I love each one of you!!

Love you,
Diane
