“ I am so sorry this nice man has been called home. I will miss him, his emails, and his Christmas cards. He was such a smart, kind, wonderful gentleman. I am glad to have known him since 1976 or shortly thereafter. I know his family will miss him too. My heart goes out to all of his children, grandchildren, and great-grandchildren as well as all of his friends. Thank you for letting me know he has gone.

“ Dear family of Mr. Meese,

Though you don't know me, I was so blessed reading about the well-lived life of your dad & grandfather that I had to comment. What a wonderful gentleman! I know that his legacy and influence will live on through all who were fortunate enough to have known him. People like him make this world a better place and my prayers are with you all for peace, comfort and gratitude to have had such a wonderful man to love!

“ I am so sorry for your loss. Lloyd sat next to me in church. He always gave my wife a kiss on the cheek. He has told me so many things about his life and family. I know he was so proud of his children. This world has lost a fine man and a good friend to many.

RIP MY FRIEND. May God Grant you his Grace.
