“ *My deepest sympathies to the Lofton Swanger Family . I was very heartbroken when I was advised of the passing of a Brother Raritan Rocket member of the 1966 Football Team. Lofton, was a star running back of our 1965 Raritan Rocket Football Program and Brother Rocket of Mike Cohen. Our 1965 Raritan Rocket Football Team was our first winning Season with a record of 6-2-1, the third year Of Raritan Township HS. Lofton, was an Extraordinary running back with blazing speed and Lofton was instrumental in our Football teams success in 1965, Raritan Rockets record of 6-2-1. My sincere condolences and sympathies to the entire Swanger family from Lofton's Raritan Rocket's Brother Michael Cohen , Classmate class of 65. God bless you my brother Raritan Rocket and sleep in peace forever to one of the finest Raritan Rocket Football players. God Speed, Mike Cohen*

“ *I always thought Lofton was so smart (and much cooler than other adults!). It wasn't until I was grown that I understood why he drank coffee even when it was hot outside. I am wracking my brain to say something that can ease the pain of his passing but no sage words of wisdom come to mind. All I can tell you is he made a difference in my life and I am so grateful to you for sharing him with all of us.*
