“ Today is October 12, 2019 and i woke this morning thinking so much of my cousin, Lois. I located her phone number and tried calling her just like I did last night. The phone just rang and rang..hmmmm she must be still around I thought but maybe just cant hear the phone.....I was always able to call her and talk to her and she was always very smart. Even though she had not seen me in years she always knew who it was she was talking to. I will definately miss her and it took a time or two to locate her here. I knew it was her when i saw the Cofer name and Robbies name here as well. I lived over a hundred miles away on the other side of Atlanta and she was a very good friend to be called an angel cousin. Her and Ms. Evelyn Brownlee will both be so missed here! She was so good to tell me stories of my late mother, Joann Cofer. I am so sorry she is gone but she wont have no more grass to cut and other things she did. I am just like her in the fact that i work as long as there is work to be done. She was a hard worker and did everything she could to take care of herself. I dont know what the last year of her life was about but I do remember lots of great conversations we had! She was very loved here!! I will miss you Cousin Lois but she would tell you to be ready when Jesus comes.....Keep your lamps trimmed and burning....Be ready when he calls.....
I love you Lois.....

“ Lois was a sweet lady who was always ready to help her family. She had a servant spirit. She was a good cook and loved her family very much.
