“ Patsy was my lifelong friend. We first met when my family began going to Habersham Baptist church, we were both pre- schoolers.

We shared 12 years of school — Habersham Mills elementary, Clarkesville elementary and then North Habersham High School.

After graduation we lost touch but reconnected a few years ago. I would visit Betty Sue at New Horizons until the covid pandemic lock it down and then covid took my precious 2nd Momma away from us.

As young kids we used to pick up Coke bottles on the side of the road and turn them in to collect the returned bottle deposits to get money to go to the movies at the Grand theater in Cornelia. Then Bill and Betty Sue would drop us off and pick us up after the movie.

I can't hardly believe she is gone. I was so looking forward to seeing her again in the fall to celebrate our 50th NHHS class reunion.

The will be an empty chair at the table but more than that there is another empty hole in my heart. I am certain she had been reunited with her son and will look up my son in heaven. She gave my son his first two baby outfits when he was born. He had baby pictures made waring both of them.

Patsy and I were best friends for life regardless of the years in between seeing each other. She was dearly loved and will be missed.

My sincerest condolences in the loss of you Mother and Grandmother. She loved her family more than anything in this world.

“ The first time I met Patsy, we were at Gwinnett Football League (GFL) Book certification and I told her I was going to tase her. I had no intent of doing it but it was a phrase I used and still use to this day as a phrase of endearment. It shocked her, and she asked me to please hold as she needed to use the restroom but would return shortly for the tasing. Well, she returned and asked me to repeat what I said. Me being me, I repeated it and from that moment we had the biggest and best laugh(s) together. We were the shortest and most kicking-nest, round ladies on the GFL Open Cheer Team and always ended up paired up in the middle somewhere. I will never forget how she loved me, my husband, my sons and grandson unconditionally. We wouldn't see each other for months and pick up right where we left off. She was a pillar of the Gwinnett Community and to all who knew her. I am so heartbroken I did not get to say goodbye. But I'm so glad I got to have you in my life even if just for a short time. I'm glad I recently had the opportunity to treat you to lunch at our favorite place Longhorns for that Diet Coke, steak and the plainest baked potato I've ever seen a person eat. We love you Peppermint Patsy and know that heaven will be organized and on schedule now that you are there. So until we meet again, no tasing and enjoy the view my friend.

“ Condolences are with your whole family and friends Patsy. You will be sorely missed with your BIG heart, your sincere words or wisdom, your true selflessness, your willing to help any and everyone at any time, Your love for your family, your grand kids and those great-grands were always known. You truly played your role as VP at Lendmark and your role at the GFL and all the thousands and thousands of kids you have helped and touch their lives just as you have touched our lives here at Lendmark over and over.

God does not make many souls such as yours...YOU were the epitome of kindness and an example for many others. You are no longer in pain but in Gods arms.

I will never forgot you or how you took me under your wing and helped me strive in my life when I needed help. Until we meet again my friend... I Love You More...Cat

“ My deepest condolences to all of my dear friend Patsy's family and friends. Patsy was a phenomenal person with a fantastic Smile, a endearing spirit with such a large heart for everyone she met and a kindness that she shared with thousands over her journey on this earth. She was like a second mom to me after losing my mother. God looked around His garden and he found an empty place. He put His arms around you and lifted you to rest. God's garden must be beautiful, He always takes the best. He knew you were suffering, He knew you were in pain. He knew the road was getting rough and the hills to hard to climb. So, He closed your weary eyes and whispered "Peace be Thine".

It broke all of our hearts to lose you but you didn't go alone, for there is a part of us that went with you, the day God called you home.

Until we meet again my friend, I will know your watching over us all...Love you, Cat

“ To Patsy's family please accept my sincere condolences. Patsy was a dear friend who I loved like a sister. We always kept in touch, had great conversations and shared thoughts and experiences with each other about our lives and our families. One of Patsy's most endearing qualities was her generous spirit and how sincere and honest she was. While there are no words that will ease your grief or lessen your pain, know she is now reunited with the loved ones who preceded her and in the Hands of Our Father. May God Bless you all and may you find comfort in knowing that she is not suffering or in pain. Kerry Ward

“ Patsy has been my friend for over 40 years. She was a true and valued friend. I loved her like a sister. She knew that she had an open invitation to our home. I always heard "That a friend was someone who answered the phone at 3am when you were lost and alone and with a few words of encouragement and concern you realize that you aren't really lost at all" Patsy was that friend,
