“ So sad to hear of Sam's passing. I too have many memories working with a very talented person. Sam had many traits; perhaps the one I remember most is his love for his family. Never a time when he did not mention his loving wife Linda. Nothing but prayers for his family and rest well my friend.

“ When I first came to Ga. I worked with Sam. I got laid off and got a job at TSW. It wasn't very long and Sam was looking for a job. I talked to Dave about how good Sam was and he hired him. There was about 11 of us at that time. Sam always worked hard for TSW and their clients.it was great working with Sam. I really enjoyed it.

“ I so wish I could be there on Saturday.
Linda, I know life will never be the same for you and your family. You are in my prayers. Sammy was a one of the most kind, thoughtful and hard working people I have ever known. He has moved on to the most beautiful place there is. Forever in my fond memories. Love, Diane

“ Sam, you maybe gone but you will never be forgotten. As one of those original TSW old timers, like yourself, I would always come to you on some kind of hardware, printer issue and get an answer/advice.

The trips to Alumax, with others, in Dave's van in those very early days of TSW. The time we were up at a Anheuser Busch brewery. The list can go on.

You will not be forgotten.

“ Sam was a big part of the team that taught me early in my career that knowing your stuff and caring about the customer was the way to do it. My deepest sympathy to Linda and all of Sam's family.

“ Sam brought me into The System Works bowling team in '91. And we bowled together on several variations of that team for many years. I remember his hug when I threw a big score. Good friend. Good memories

“ I went to school at Okeefe High School with Sammy. He was always so thoughtful and kind. Even though he was quiet you knew he was probably the smartest one in the class. My thoughts and prayers for his family and loved ones.

“ If I could be there, I would be. If I had the money, I would send flowers, but I don't. Therefore, I will simply send you all my love, comfort and prayers. If there's anything I can do for you, let me know. You are greatly loved, Lady Linda. Believe that. "May the Peace of God that passes understanding, keep your heart and mind in Christ Jesus."
